To Whom It May Concern:

Rob Velez of Colorblind Productions had been providing services for the American Red Cross in Greater New York for many years. I have worked with him on several events a year dating back to 2004. He is always professional and has provided exactly what we need; everything from DJ services and speaker systems to video taping events and plasma screens.

I would certainly recommend him to other event planners and I will continue to use him for our future events.

If you have any questions please feel free to contact me.

Sincerely,

Annie Trowbridge  
Assistant Director, Special Events
